PURPOSE OF COURSE

The most important thing in life is to know what we believe. It is also important to know why
we believe what we believe. This is the reason we are giving this course. You will see that the
answers to these questions are found in the Bible.

It is our prayer that God will use this course in establishing sound Bible believing churches.

INSTRUCTIONS

The Christian Foundations course is available now for anyone to use. If possible, begin with
lesson one and work through all the lessons.

Look at the lessons, and see if you need help in a certain area of your Christian life. You will find the answers easier in the new translations of the Bible, such as "The New Life Testament", "Good News for Modern Man", "Living Letters". You will also have to use the Old Testament. There are not as many new translations of the Old Testament. You may use the "The New Life Bible", "King James" version, the "Catholic" or "Douay" version, "The Living Bible", or "New American Standard Bible".

If you use Adobe, print out the lesson and then work through the lesson. If you use NITRO Reader, you can fill in the answers on the computer and save the file. (NITRO Reader [<http://www.nitroreader.com/download/>] is a free download program on internet.)

If you wish to have your answers corrected, Adobe or NITRO Reader, press the submit button when you have finished writing in all the answers for the lesson. If your program is compatible with your email program, the file will be sent to Tribal Trails for correction. Be sure your email address is with your email program so you can receive an answer.
