## **INSTRUCTIONS**

### **PURPOSE OF THE COURSE**

This course is written to help you to understand the Gospel of John. Because the Gospel of John is the Word of God, you cannot fully understand all of it. Yet, as you study it from day to day you will receive precious truths from it. These truths will help you in your daily living. We trust that this course will make you want to keep on studying in the Gospel of John.

### **INSTRUCTIONS**

If there is a question in a paragraph you can find the answer at the back of the Lesson Book under "ANSWER SHEETS." It would be easy to look at the back of the Lesson Book and copy the answer. However, there is a problem - you will not learn anything. So it is best for you to find your answers in the Bible and to write them down. Then check to see if you are right.

Because you can correct your work right away, it will help you to learn the truths easier and to remember them better.

**REMEMBER - DO NOT COPY THE ANSWERS FROM THE ANSWER SHEETS AT THE BACK OF THE LESSON BOOK.**

Follow the instructions of your teacher.
