NATURAL LAWS

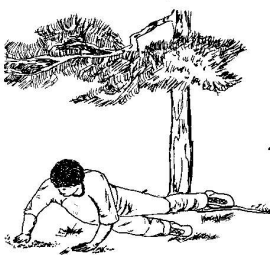

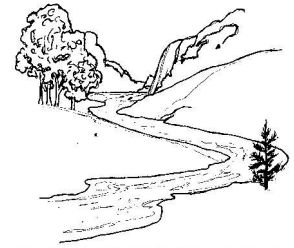

God has made many natural laws. These laws always work.
Let us think about some of these laws:

1. The leaves grow on the trees in spring. The leaves fall off in fall.

2. The sun always gets up in the morning. The sun always goes down at night. It never makes a mistake and does the opposite.

3. The river always runs down; it never runs up.

4. When we trip over a root, we always fall down. We never fall up.

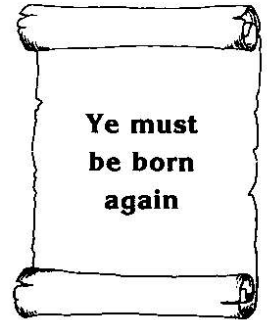

5. When we put our hand into the fire, it will get burned.

There are many more natural laws of God that we could think of. These natural laws always work the same way because God planned it that way.

SPIRITUAL LAWS

God has also made spiritual laws that always work. Let us look at a few of God's spiritual laws.

1. In John 3:3, Jesus told Nicodemus one of God's great spiritual laws. Look it up, and write what Jesus told this man:
"Except

2. Acts 16:31 gives another of God's spiritual laws. Look it up.
What does it say?

" on the Lord Jesus Christ, and

3. Hebrews 11:6 is still another of God's spiritual laws. Look it up and fill in the missing words.

"Without it is impossible to
please ."

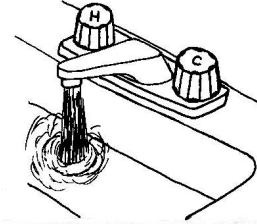

As we read our Bible, we will find many more of God's spiritual laws. Every one of these spiritual laws works exactly as He says it will. Try these laws and see.

Jesus, and His visit with His disciples to His home town, teaches us one of God's very important laws. Let us see if we can find out what it is.

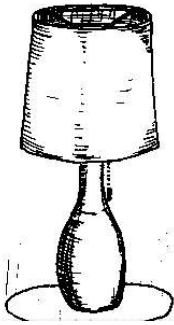

Jesus' own family and His neighbors did not believe He was the One sent from God. They had always seen Him around. They knew Jesus as a little child, then as a boy, as a teenager, and as a young man. They did not have faith in Him at all. So God's spiritual law worked against them.

Jesus could not do many miracles for them because of their

When we do not believe water will come out of a tap, we
will not bother to turn the tap on. We believe water will come, so
we turn on the tap. Water comes out of the tap.

If we do not believe that light will come
on when we turn on the switch, we will not
turn it on. There will not be any light. But we believe there will be
light and so we turn on the switch. Sure enough, we get light.

We get water
when we turn on the
tap. We get light when
we turn on the
switch. "The blood
of Jesus Christ,
God's Son, cleanses
us from all sin" just
as soon as we turn
on our faith and

believe it. This is one of God's own spiritual laws. It always works.

How are we kept from falling back into our old sins? We turn on our faith in
Jesus. His power will come to make us strong.

If we want to be saved, and kept, and filled with God's Holy Spirit, what must we
do?
