## INTRODUCTION TO NEW TESTAMENT SURVEY

When we want to study a book we should do the following:

1. Look through the book.
2. Look at the pictures and charts in the book.
3. Look at the chapter names and the outlines.

These things will tell us what the book is about.

The words "Bible," "Scriptures," and "Word of God" mean the same thing in this course.

We want to learn the following things in this course:

1. How the people lived from 400 years before Christ to the time Christ died and rose again.
2. How the Old Testament is connected to the New Testament.
3. How the people lived when the New Testament was written.
4. How the New Testament was written and put together.
5. How the New Testament points to Jesus Christ.
6. How the Church was born and how it grew.
7. The outlines of each book in the New Testament. (These outlines need not be memorized.)
8. The main thoughts of each book in the New Testament. (These should be memorized.)
9. The main teachings and doctrines in each New Testament book.
